

**R E M A R K S**

In view of the Examiner's comments:

- a. A substitute Declaration has been provided;
- b. An Application Data Sheet (37 CFR 1.76) has also been provided;
- c. Claims 5 and 8 have been canceled; and
- d. Claims 1-4 and 6-7 have been amended in an attempt to meet the Examiner's objections.

It is respectfully submitted that these amendments to the claims now provide the antecedent basis requested by the Examiner, and to clarify the "scissors frame" references of claims 6 and 7.

Claims 1-4 and 6-7 were indicated as containing allowable subject matter, and would be allowed if amended to overcome the Examiner's objections.

This Application is now considered to be in condition for allowance, which action is respectfully requested.

Respectfully submitted,

**JIANRONG DENG**
